Safety

1. To prevent possible hearing damage, do not listen at high volume levels for long periods.
2. Risk of explosion if battery is replaced by an incorrect type, dispose of battery according to the instruction.
3. Recycle your products

The WEEE logo (shown at right) appears on the product to indicate that this product must not be disposed of or dumped with your other household wastes. You are liable to dispose of all your electronic or electrical waste equipment by transporting to an appropriate collection point for recycling of such hazardous waste.

FCC Radiation Exposure Statement: This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

IC Warning:

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

IC Radiation Exposure Statement:

This equipment complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment. This device and its antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter.

FCC Notice

This device complies with Part 15 of FCC rules. Operation is subject to the following 2 conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Warranty

Porta Phone items are warrantied against defects in material and/or factory workmanship for a set period from the date of purchase. Standard repairs due to misuse or wear and tear, as well as replacement parts including but not limited to batteries, padding, USB cable, etc. are excluded. Shipping to Porta Phone is at customer's expense, Porta Phone will pay for return ground shipping if the product warranty applies to the repair. Call for details.

Shipping

Prior to returning your headset for warranty or service you must call Porta Phone for an RA (return authorization) number: 1 (800) 233-1113.

General Service

All repair work will be performed for the cost of replacement parts and return shipping from the Porta Phone factory.

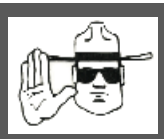
Full Duplex Wireless

PORTA PHONE



IMPORTANT

E-Pak intercoms include one "MAIN" transceiver.
When this MAIN unit is
turned "ON" all radios in the system will link automatically.

SET-UP

Linking the E-Pak Radios

1. Install charged batteries.
2. Identify MAIN transceiver and press the power button to turn ON.
3. Turn ON all REMOTE radios.
4. Flashing system/power LEDs turn **solid green** indicating radios are linked.

Note: Catcher E-Paks will be specially marked as listen only.

Slide open battery door
Arrow / contacts first

PAIRING WIRELESS HEADSETS

Headsets & Earbuds incl. with all new systems are ***already paired*** to E-Pak.

Headsets are paired to the E-Pak via the blue programming button.
(This blue push button is also a LED that indicates wireless headset status.)

1.	Slow Flash	Searching for the most recently paired headset
2.	Solid Blue	E-Pak and wireless headset are connected
3.	Rapid Flash	Ready to pair with a new wireless headset
4.	Blank	No wireless headset connected
