Transmitter-to-Receiver Pairing

1. TURN ON THE DEVICES

- Turn the transmitter and receiver power ON.

2. SET THE TRANSMITTER INTO PAIRING MODE

- Press and hold the Send button on the transmitter until a pairing icon with a number appears and flashes on the screen.

3. SET THE RECEIVER INTO PAIRING MODE

- Press and hold the **Pairing** button on the receiver until the pairing icon begins flashing.

4. COMPLETE THE PAIRING PROCESS

- When the number on the transmitter increases by one digit and the pairing icon on the receiver disappears, pairing is complete.
- *If you have another receiver to pair, repeat steps 3 & 4.*
- If you do not have any additional receivers to pair, press the Send button once to exit pairing mode on the transmitter.
- The Text-Pro system is mow ready to send play calls.
